

Dear Choir Members,

The Director Search committee met June 14th to review applicants and selected three well-qualified musicians to be interviewed. This will be the second phase of the selection process. We were very gratified with the quality of candidates who applied.

Please save July 12th for the audition with the choir. We hope as many of you as can will participate. You will receive details by the end of the month.

We are excited about the search and know that we will have an excellent candidate to present to the board!

On behalf of your search committee,

Susan Hykes, Chair
Soli Deo Gloria Director Search Committee
